The Inter-Agency Career Guidance Working Group (IAG CGWG), composed by Cedefop, the European Commission, ETF, ILO, OECD, UNESCO and World Bank will support a Global Careers Month from 8 November to 12 December 2022. This period will aim at raising awareness about the role and importance of effective career guidance to enable access to decent work, careers and support growth efforts during the economic recovery. Participants will work to jointly identify challenges to the development of career guidance systems as well as showcase solutions to promote career development for young people and adults. The Opening Ceremony overview of activities to be developed and provide insights on the state of career development across the globe. Social partners, practitioners and researchers will provide their perspectives regarding current challenges and priorities for the near future.

Date: 8 November 2022
