Saili Malo is a Samoan concept focused on attaining a "prosperous life" and often the journey to get there is supported by a plan that informs a pathway. The Saili Malo career resource *Level Up! Prepare for your Future* is a set of activity workbooks developed exclusively for Talanoa Ako partners and provides resources focused on career activities that learners of different ages and their parents can both engage in. The resource is made available (in electronic form) to schools and educators who will be able to embed careers into their teaching.

Time:11am-12pm
