The International Training Centre of the ILO (ITC/ILO) provides training and related services that develop human resources and institutional capabilities. TRAINING WORKSHOP ON FINANCING SKILLS DEVELOPMENT This workshop is designed to allow knowledge/good practice sharing about existing mechanisms of financing training and the necessary conditions for acquiring appropriate funding for skills development. It provides opportunities for a South-South dialogue and for international agencies to share lessons learnt and cutting edge knowledge. It offers insights for the elaboration of capacity building and other relevant initiatives in lower income countries. Target group: Directors of public and private training institutions; representatives of employers'/workers' organizations active in TVET; representatives of ministries of labor and education (when dealing with technical education); representatives from ministries of finance, etc. Gender-balanced participation is sought. Total cost: 2100 EUR
