[Enic-naric: Gateway to recognition of academic and professional qualifications - Ukraine](#)

This site, a joint initiative of the European Commission, the Council of Europe and UNESCO, has been created primarily as a tool to assist the ENIC-NARIC Networks in carrying out the tasks they have been mandated to accomplish within their own jurisdiction, by directing them to up-to-date information supplied and maintained by the competent bodies in each member country and by each member organisation. It is also its express purpose to help other interested organisations and individuals easily find information on current issues in international academic and professional mobility, and on procedures for the recognition of foreign qualifications.
