American and Canadian career professionals and their clients will be invited to create brief video or written social media posts highlighting the far-reaching impacts of career development (responding to specific provided prompts). A select number of submissions may be randomly chosen to win a prize and high quality submissions may be profiled via articles, webinars or conference sessions. Using walls.io, all posts will be gathered and used widely to raise awareness of the value of career development. This will be an online campaign with a dedicated landing page. It will be profiled on partner websites ([NCDA](#), [CERIC](#), [CCDF](#)) and the [Canada Career Month site](#). Languages: English and French
