ITCILO organizes this E-Learning Lab as a coherent package of two stand-alone courses. Participants will choose if attending only one or both courses.

ITCILO organizes this specially designed Lab for TVET specialists, managers and teachers of TVET centres in order to rapidly develop their capacities for transforming available materials to suit on-line delivery and also operate distance-learning programmes with a strong focus on multimedia, digital (incl. mobile) and inter-active learning solutions. Application deadline: 29 June 2020 To learn more click on the link provided below.
