This pilot project is developed in the context of the EU funded GEMM - Governance for Employability in the Mediterranean project that the ETF (European Training Foundation) implements in the countries of the Southern and Eastern Mediterranean. This project aims at supporting local VET partners and stakeholders to cooperate better to increase the employability of young people and women in the Al-Zarqa Governorate. The project aims at developing and implementing an apprenticeship training programme in the retail trade sector for female employment. Project partners include: E-TVET council, Vocational Training Corporation (VTC); CAQA Center of Accreditation and Quality Assurance, Jordan Career Education Foundation/ JCEF, International Youth Foundation, International Labour organization/ILO, Labour Union, Chamber of commerce and local employers in the sector.
