[Pakistan country skills profile -Feb2021.pdf](#)

Pakistan Country Skills Profile was prepared by ILO Islamabad Office in collaboration with SKILLS Specialists in DWT-Delhi and Geneva. Profile covers main features of skills development in Pakistan and identifies a few key areas for improvement in the TVET System. Profile was reviewed by tripartite stakeholders in an online tripartite consultation held on 16th February 2021 and was endorsed by all stakeholders.

Pakistan Country Skills Profile (2021) provides an overview of TVET situation in Pakistan including demographic situation, coverage of TVET System, regional and gender inequalities, quality issues, and other important features. Towards the end, the Profile identifies four key areas for

improvement.
